

REGISTRATION OF PARTNER

A partner's pension is a benefit for your partner if you die. If you are living together or going to live together, PNO Media will not receive notification of this. You must inform us of this yourself in writing, assuming you want your partner to be entitled to partner's pension after your death.

Complete this form

If you have been registered for at least 6 months at the same address in the Personal Records Database (BRP), complete this form to register your partner. If you are living together and concluded a cohabitation agreement, you do not have to complete this form. In that case, sending us a copy of the cohabitation agreement suffices. If you are married or have entered into a registered partnership, PNO Media automatically receives notification from the BRP. You do not have to inform us of this separately. You do have to inform us if you are getting married abroad.
